**PRIMUS GUARANTY, LTD.**  
**PROXY STATEMENT**  
**ANNUAL GENERAL MEETING OF SHAREHOLDERS**  
**TO BE HELD ON APRIL 30, 2009**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Primus Guaranty, Ltd., a company organized under the laws of Bermuda, for use at the Company's Annual General Meeting of Shareholders to be held at The Fairmont Hamilton Princess, 76 Pitts Bay Road, Pembroke Parish, Hamilton HM CX, Bermuda, on April 30, 2009 at 8:00 A.M., local time, and at any adjournments or postponements thereof.

The Notice of Annual General Meeting, this Proxy Statement and the enclosed form of proxy are first being sent or given to shareholders of the Company on or about March 20, 2009.

**Purposes of Meeting**

The purposes of the meeting are to consider and act upon the following matters:

1. To elect two Class II directors to hold office for three years and until their successors are elected and qualified;
2. To appoint Ernst & Young LLP as the Company's independent auditors and to authorize the Audit Committee of the Board of Directors to set the auditors' remuneration; and
3. To consider and act on such other business as may properly come before the meeting or any adjournment or postponement thereof.

**Record Date**

Only holders of record of the Company's common shares, par value \$0.08 per share ("Common Shares"), at the close of business on March 9, 2009, the record date, are entitled to notice of, and to vote at, the meeting or any adjournment or postponement thereof. The Company's Common Shares are its only outstanding class of voting securities. Each Common Share entitles the holder of record thereof to one vote. As of the record date, there were 40,961,472 Common Shares outstanding.

**How You Can Vote**

Shareholders of record can vote in one of the following ways:

- by completing, signing and returning the enclosed proxy card; or
- over the Internet: if you are a registered holder of Common Shares, you may view proxy materials and follow the instructions at <http://bnymellon.mobular.net/bnymellon/prs>, and if you hold your Common Shares in street-name through a broker, custodian bank or other nominee, you may view the materials and follow the instructions at <http://bnymellon.mobular.net/bnymellon/prs> — beneficial
- over the telephone by accessing the telephone voting system at (866) 540-5760 and following the telephone voting instructions; or
- by attending the Annual General Meeting and voting in person.

Internet and telephone voting facilities will close at 11:59 P.M., Eastern time, on April 29, 2009.

Shareholders who hold their Common Shares through a broker, custodian bank or other nominee (in "street name") must vote their Common Shares in accordance with the procedures prescribed by their broker, custodian bank or other nominee. Shareholders who wish to vote using the enclosed proxy card should sign and return their signed proxies before the Annual General Meeting. The proxies will vote their Common Shares as they direct.

Shareholders can specify whether their Common Shares should be voted for all, some or none of the nominees for director (Proposal One on the proxy card). They can also specify whether they approve, disapprove or abstain from the other proposals to be presented at the meeting.

**If you do not specify on your proxy card how you want to vote your Common Shares, the proxies will vote them “FOR” the election of all nominees for director as set forth under Proposal One, “FOR” Proposal Two and, with respect to any other matters which may properly come before the Annual General Meeting or any adjournment or postponement thereof, at the discretion of the proxy holders.**

### **Revocation of Proxies**

You may revoke your proxy at any time before it is exercised in any of the following ways:

- by notifying the Company’s Secretary in writing;
- by submitting another proxy by mail, over the Internet or by telephone that is received at a later date and that is properly signed or transmitted; or
- by voting in person at the meeting.

You may not revoke a proxy merely by attending the meeting. To revoke a proxy, you must take one of the actions described above.

### **Quorum and Required Votes**

The presence, in person or by proxy, of two or more persons at the start of the meeting and representing, in person or by proxy, in excess of 50% of the total issued voting shares is necessary to constitute a quorum.

The affirmative vote of a majority of the Common Shares represented and voting at the Annual General Meeting is required for the election of directors, as well as the appointment of the Company’s independent auditors and authorization of the Audit Committee of the Board of Directors to set the auditors’ remuneration.

Abstentions are counted as “shares present” at the meeting for the purposes of determining whether a quorum exists. However, since abstentions are not votes cast in favor of or against any matter, they will not affect the outcome of the vote. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called “broker non-votes”) are also considered “shares present,” but also will not affect the outcome of any vote.

### **Solicitation**

We have hired BNY Mellon Shareowner Services and D.F. King & Co., Inc. to assist us in the distribution of proxy materials and the solicitation of proxies for a fee estimated at \$20,000 plus out-of-pocket expenses. This Proxy Statement, including the Notice of Availability of Proxy Materials for the Shareholder Meeting and the proxy card, will first be sent to shareholders on or about March 20, 2009. Proxies will be solicited on behalf of the Board of Directors by mail, in person, over the Internet and by telephone. The Company will bear the cost of soliciting proxies. The Company will also reimburse brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to the persons for whom they hold Common Shares.

### **Audited Financial Statements**

Under Bermuda law, audited financial statements must be presented to shareholders at an annual general meeting of shareholders. To fulfill this requirement, the Company will present at the Annual General Meeting audited consolidated financial statements for fiscal year 2008. Copies of the financial

statements are contained in the Company's 2008 Annual Report on Form 10-K, which is being mailed to shareholders together with this Proxy Statement and related materials.

**Other Matters to Be Acted Upon**

The Company does not know of any matters to be presented or acted upon at the meeting other than the items described in this Proxy Statement. If any other matter is presented at the Annual General Meeting on which a vote may properly be taken, the Common Shares represented by proxies will be voted at the discretion of the proxy holders.

**Returning Your Proxy Card**

Shareholders should register their votes by mail, over the Internet or by telephone as soon as possible. In order to assure that your proxy is received in time to be voted at the Annual General Meeting, the proxy card must be completed in accordance with the instructions on it. If your Common Shares are held in street name, you should return your proxy card or voting instruction card in accordance with the instructions on that card or as provided by the custodian bank, brokerage firm or other nominee that holds Company Common Shares on your behalf.

## CORPORATE GOVERNANCE

### Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines for the Company and the Board to ensure effective corporate governance. The Corporate Governance Guidelines are summarized below, and the full text of the Corporate Governance Guidelines, as well as the text of the charters of the Board committees, are available on the Company's Web site at [www.primusguaranty.com](http://www.primusguaranty.com) under the heading "Investor Relations — Corporate Governance." The Company will also provide a printed copy of the Corporate Governance Guidelines and the charters of the Board committees upon request.

### *Board Organization*

The Company's Board of Directors currently consists of nine members; however, one of the directors whose term is expiring at the Annual General Meeting, James K. Hunt, is not standing for re-election and will retire from the Board. The Company's Bye-laws provide for a staggered board of directors. The directors are divided into three classes. Each year one class of directors will stand for election for a term of three years. The current directors and their respective classes and terms are as follows:

- Messrs. Michael P. Esposito, Jr., Thomas W. Jasper, and James H. MacNaughton have been designated Class I directors whose terms will expire at the 2010 Annual General Meeting of Shareholders;
- Messrs. Frank P. Filippis, Thomas J. Hartlage, and James K. Hunt have been designated Class II directors whose terms will expire at this year's Annual General Meeting of Shareholders. Messrs. Filippis and Hartlage are standing for re-election, and Mr. Hunt is not standing for re-election and will retire from the Board; and
- Messrs. Paul S. Giordano, Robert R. Lusardi, and John A. Ward, III have been designated Class III directors whose terms will expire at the 2011 Annual General Meeting of Shareholders.

The Board maintains four committees: the Audit Committee, the Compensation Committee, the Finance and Investment Committee, and the Nominating and Corporate Governance Committee. (See "Committees of the Board of Directors:");

### *Corporate Governance Guidelines*

The Company's Corporate Governance Guidelines, together with the charters of the various Board committees, provide a framework for the corporate governance of the Company. Among the responsibilities of the Board of Directors are to: (1) ensure that the Company operates in a legal, ethical and socially responsible manner; (2) select, evaluate and offer substantive advice and counsel to the Company's Chief Executive Officer; (3) review, approve and monitor fundamental financial and business strategies and major corporate actions; (4) oversee the Company's capital structure and financial policies and practices; (5) assess major risks facing the Company and review options for their mitigation; and (6) provide counsel and oversight on the selection, evaluation, development and compensation of executive officers.

The Board has determined that all of the Company's current and nominated directors, except Thomas W. Jasper, who is an employee of a subsidiary of the Company, are independent under the standards set forth in the Company's Corporate Governance Guidelines and the listing standards of the New York Stock Exchange (the "NYSE") since none of them have any material relationship with the Company which the Board believes would compromise their independence. The Corporate Governance Guidelines provide that credit default swaps and credit default swap portfolio engagements between a director's employer and its affiliates, affiliations with a significant (25% or more) shareholder of the

Company and joint service with employees on the board of a not-for-profit corporation, do not impair a director's independence, except that affiliation with a significant shareholder does impair a director's independence with respect to service on the Audit Committee. A copy of the definition of independent directors under the Company's Corporate Governance Guidelines is available at the Company's Web site located at [www.primusguaranty.com](http://www.primusguaranty.com) under the heading "Investor Relations — Corporate Governance — Governance Guidelines." Every director must seek the consent of the Nominating and Corporate Governance Committee and the Chairperson of the Board to confirm the absence of any actual or potential conflict prior to accepting any invitation to serve on another corporate or, in the case of a management director, not-for-profit board of directors or with any government or advisory group.

The Corporate Governance Guidelines require that the non-management directors of the Board meet in executive session at least once per year, without any management directors and any other members of the Company's management present, to (1) evaluate the Chief Executive Officer, (2) review management succession planning, and (3) consider such other matters as they may deem appropriate. Mr. Esposito, the Chairman of our Board and Chairman of the Company's Nominating and Corporate Governance Committee, presides at the executive sessions.

Under the Corporate Governance Guidelines, the Board must conduct an annual (1) self-evaluation of its performance and the performance of its individual members; and (2) evaluation of each Board committee's performance and the performance of the individual members of such committees to determine whether the Board and its committees are functioning effectively. The Board's evaluation is based, in part, on the Nominating and Corporate Governance Committee's evaluation of the Board and the self-evaluations conducted by each of the committees. The Company's directors have full access to management and corporate staff and are provided with an orientation program for new directors and continuing education for all directors.

The Board of Directors held twelve meetings during 2008. Each incumbent director attended 75% or more of the total number of meetings of the Board and the committees on which he/she served held during his/her period of service since the last Annual General Meeting of Shareholders, except that Mr. Hunt attended 73% of the total number of meetings of the Board and the committees on which he served during this period.

### **Director Attendance at Annual General Meeting of Shareholders**

The Company's policy is that our directors are expected to attend the Annual General Meeting of Shareholders unless extenuating circumstances prevent them from attending. All of our then serving directors attended last year's Annual General Meeting of Shareholders.

### **Communications with Directors**

Shareholders or other interested parties who wish to send communications on any topic to the Board or to the non-management directors as a group, or to the Chairman of the Board, Mr. Esposito, may do so by writing to Primus Guaranty, Ltd. at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda. Alternatively, they may write to Vincent B. Tritto, General Counsel, c/o Primus Asset Management, Inc., 360 Madison Avenue, 23rd Floor, New York, New York 10017, or via e-mail at [vtritto@primusguaranty.com](mailto:vtritto@primusguaranty.com).

### **Review, Approval or Ratification of Transactions with Related Persons**

Any transaction with the Company in which a director, executive officer or beneficial holder of more than five percent (5%) of the outstanding Common Shares of the Company, or any immediate family member of the foregoing (each, a "related person"), has a direct or indirect material interest, and where the amount involved exceeds \$120,000, must be disclosed by the Company in its public filings. Any such transaction would be subject to the Company's written policy respecting the review, approval or ratification of related person transactions, which is contained in the Company's Code of

Business Conduct and Ethics. Under this policy any related party transaction that would be required to be publicly disclosed must be approved or ratified by the Board of Directors or the Nominating and Corporate Governance Committee, in writing, before the proposed related party transaction may be undertaken. In approving or ratifying a transaction under this policy, the Board of Directors or the Nominating and Corporate Governance Committee must determine that the transaction is fair and reasonable to the Company. For 2008, there was one transaction between the Company and a related person subject to this policy, as the Company procured a portion of its directors' and officers' insurance coverage from XL Specialty Insurance Company, an affiliate of XL Capital, Ltd. (a holder of more than five percent (5%) of the outstanding Common Shares and therefore a related person) after obtaining written approval of the Board of Directors.

#### **Code of Business Conduct and Ethics**

The Company has adopted a Code of Business Conduct and Ethics, applicable to all employees and directors. The Code of Business Conduct and Ethics covers various topics, including conflicts of interest, confidentiality of information and compliance with laws and regulations. A copy of the Company's Code of Business Conduct and Ethics is available at the Company's Web site located at [www.primusguaranty.com](http://www.primusguaranty.com) under the heading "Investor Relations — Corporate Governance." The Company will also provide a printed copy upon request.

#### *Nominating and Corporate Governance Committee*

The Nominating and Corporate Governance Committee is responsible for the oversight of, and assists the Board of Directors in, developing and recommending corporate governance practices and selecting the director nominees to stand for election at annual meetings of the Company's shareholders. Messrs. Esposito (Chairman), Filippis and Hunt are the current members of this committee, which operates under a written charter that is available on the Company's Web site at [www.primusguaranty.com](http://www.primusguaranty.com) (a printed copy of which will be provided upon request). Following Mr. Hunt's retirement from the Board, the Nominating and Corporate Governance Committee is expected to review and assign committee memberships such that there are three directors on each committee. The Nominating and Corporate Governance Committee held four meetings in 2008.

Any shareholder or the Board may propose any person for election as a director pursuant to the Company's By-laws. A shareholder who wishes to propose an individual for election as a director must provide written notice to the Company's Secretary of the intention to propose the nominee and such nominee's willingness to serve as a director. Notice must be given not less than 90 days before the anniversary of the last annual general meeting prior to the notice or not less than 10 days prior to the meeting at which directors are to be elected, whichever deadline occurs earlier. In addition, each notice must set forth as to each individual whom a shareholder proposes to nominate for election as a director, (i) the name, age, business address and residence address of such individual, (ii) the principal occupation or employment of such individual, (iii) the number of Common Shares of the Company which are beneficially owned by such individual, and (iv) any other information relating to such individual that is required to be disclosed under the rules of the SEC applicable to solicitations of proxies with respect to nominees for election as directors. The shareholder proposing the nominee must provide (a) his or her name and address, as they appear on the register of shareholders of the Company, (b) the number of Common Shares which are beneficially owned by such shareholder, and (c) the period of time such Common Shares have been owned. Individuals proposed by shareholders in accordance with these procedures will receive the same consideration that individuals identified to the Nominating and Corporate Governance Committee through other means have.

The Nominating and Corporate Governance Committee has established the following standards and qualifications for members of the Board of Directors:

- Each director shall at all times represent the interests of the shareholders of the Company.
- Each director shall at all times exhibit high standards of integrity, commitment and independence of thought and judgment.
- Each director shall dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including attending shareholder meetings and meetings of the Board and committees of which he or she is a member and reviewing in advance all meeting materials.
- Non-management directors shall meet the applicable standards of independence from the Company and its management.
- The Board shall encompass a range of talent, skill and expertise sufficient to provide sound and prudent guidance with respect to all of the Company's operations and interests.

The Nominating and Corporate Governance Committee periodically reviews the appropriate size and composition of the Board and anticipates future vacancies and needs of the Board. In the event the Nominating and Corporate Governance Committee recommends an increase in the size of the Board or a vacancy occurs, the Nominating and Corporate Governance Committee will consider qualified nominees from several sources, which may include current Board members, a director research firm, and nominees recommended by shareholders and other persons. The Nominating and Corporate Governance Committee may from time to time retain a director search firm to help it identify qualified director nominees for consideration.

The Nominating and Corporate Governance Committee evaluates qualified director nominees at regular or special Nominating and Corporate Governance Committee meetings against the current director qualification standards described above and reviews qualified director nominees with the Board. The Nominating and Corporate Governance Committee interviews candidates who meet the director qualification standards, and the Nominating and Corporate Governance Committee selects nominees who best suit the Board's current needs and recommends one or more of such individuals for appointment to the Board.

### **Compensation of Directors**

During 2008, the Company compensated each of its non-management directors in the following manner:

- an annual award of Common Shares having a value of \$50,000;
- an annual cash retainer of \$40,000;
- a cash fee of \$1,000 for attending each meeting of the Board of Directors or of a Board committee;
- an additional annual cash retainer of \$12,000 for the Chairman of the Audit Committee; and
- an additional annual cash retainer of \$6,000 for the Chairman of each other committee.

The Common Shares referred to above will be fully vested when awarded, although such Common Shares will not be issued to the director until the director leaves the Board. The Company promptly reimburses all directors for reasonable expenses incurred to attend meetings of the Board of Directors or of Board committees.

The Company has been advised by Mr. Hartlage that, consistent with his employer's corporate practice, Mr. Hartlage has ceded and will continue to cede any compensation actually received by him as a director to Transamerica Life Insurance Company.

In addition, the Board also convened two ad hoc committees for consideration of separate strategic transactions that the Company ultimately determined not to pursue. The members of the first such committee were Messrs. Esposito, Filippis, Giordano, Hunt and Ward (Chair), and their compensation for service on such committee was \$1,000 per committee meeting attended, payable in cash, with the chairman receiving an additional \$1,000 cash fee for such service. The members of the second such committee were Messrs. Esposito, Filippis, MacNaughton (Chair) and Ward, and their compensation for serving on such committee was a cash retainer of \$6,000 on an annualized basis (and the chairman receiving an additional cash retainer of \$6,000 on an annualized basis) with a meeting fee of \$1,000 per meeting attended, payable in cash.

The total 2008 compensation of the Company's non-management directors is shown in the following table:

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the U.S. Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's executive officers and directors and persons who beneficially own more than ten percent (10%) of the Company's Common Shares to file reports of ownership and changes in ownership of such Common Shares with the SEC and NYSE. These persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. As a matter of practice, the Company's administrative staff assists the Company's executive officers and directors in preparing initial reports of ownership and reports of changes in ownership and files those reports on their behalf. Based on the Company's review of the copies of such forms it has received, as well as information provided and representations made by the reporting persons, the Company believes that all of its

executive officers and directors and the beneficial owners of more than ten percent (10%) of its Common Shares have filed all reports required by Section 16(a) during the Company's fiscal year ended December 31, 2008.

## **Compensation Committee Report**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis appearing below with management. ### **Compensation Committee**

Frank P. Filippis, Chairman  
Michael P. Esposito, Jr.  
James K. Hunt

## **Compensation Discussion and Analysis**

Compensation paid to the Company's Chief Executive Officer, Chief Financial Officer and the other named executive officer is shown in the Summary Compensation Table and supplemental tables that follow this discussion. The following discussion and analysis, which has been approved by the Compensation Committee, analyzes the objectives and results for 2008 of our executive officer compensation policies and procedures.

### *Compensation Policies and Objectives*

The Compensation Committee seeks to ensure that executive compensation helps the Company to attract, retain and motivate the key personnel it needs to manage its business. Compensation levels are designed to be competitive and to provide the opportunity to achieve above-market compensation in the event of superior performance. Performance is assessed with respect to the Company as a whole

and as to each individual, in both cases in relation to clearly delineated objective and subjective goals set at the beginning of each assessment period. The goals established at the beginning of 2008 included:

- Increasing the size of the single name and tranche credit default swap portfolio;
- Achieving superior financial performance as measured by Economic Results (as defined below) and returns on economic equity;
- Continuing the Company's strategic expansion into the asset management business, with particular reference to the launch of a third collateralized loan obligation fund and a fourth collateralized swap obligation fund;
- Expanding the Company's credit derivative product company platform by establishing a new vehicle to sell credit default swaps;
- Ensuring that the Company maintains the highest public market standards for financial reporting and control; and
- Developing capital forecasting techniques and access to alternative sources of capital.

The performance goals have been set at levels such that their satisfaction would require both significant effort on the part of the executive officers and superior market performance. The performance goals for 2008 generally were similar to those for 2007.

#### *Components of Executive Compensation*

Compensation is composed exclusively of annual compensation, which includes a base salary and a discretionary performance bonus, and long-term incentive awards. These compensation components are independently determined and are each designed for a specific purpose, as discussed below. The following provides an analysis of each element of compensation and what it is designed to reward and why it is included as an element of the Company's executive compensation.

##### *Base Salary*

Base salaries are designed to be competitive, so that the Company is able to retain and attract new employees as needed. The Company uses market salaries for similar positions as well as the salaries of those specific individuals it is trying to recruit to assist it in determining the amount of base salary it needs to offer to be competitive. Base salaries are reviewed annually, and any changes based on these reviews are generally made in February of each calendar year. For 2008, there were no increases in base salary for the Company's executive officers, except as provided for in the amended and restated employment agreement for the Chief Executive Officer described below

With respect to the Chief Executive Officer, the Company, represented by the Board of Directors, negotiated an amended and restated employment agreement for the Chief Executive Officer which became effective May 1, 2008 (the "CEO Employment Agreement"). The CEO Employment Agreement provides for an annual base salary of \$600,000. A summary of the CEO Employment Agreement is provided below under "Employment Agreement for Thomas W. Jasper." Charles McLendon, the former President of Primus Asset Management, Inc., a subsidiary of the Company, had an employment agreement that provided for a base salary of \$350,000, which was increased to \$375,000 in 2007. Mr. McLendon's employment with Primus Asset Management, Inc. terminated on February 23, 2009.

##### *Performance Bonus*

Performance bonuses are designed to award executive officers for both Company and individual performance for the prior year as measured by the progress made in connection with the goals set at the beginning of the year. Performance bonuses allow individuals to obtain above-market compensation levels in the event of superior performance. An estimated amount, or target budget, for the bonus pool

for a specific year is determined by reference to specific quantitative and qualitative factors, which are set at the beginning of the year. The Compensation Committee makes a recommendation to the Board as to the actual performance bonus pool following completion of that year, based upon the Company's performance in that year, measured against the target factors. Except with respect to the Chief Executive Officer, the allocation of the performance bonus pool among eligible participants is determined by the Chief Executive Officer, with approval of the Compensation Committee. The performance bonus for the Chief Executive Officer is set by the Board and subject to the CEO Employment Agreement. Performance bonuses for executive officers are subject to a target award, based on a factor of such executive officer's annual base salary, that is recommended by the Chief Executive Officer and approved by the Compensation Committee. Performance bonus awards are made annually as soon as practicable following allocation of the performance bonus pool in February of each calendar year. Generally, recipients must be employed on the date of distribution of the performance bonus pool in order to be eligible to receive a performance bonus. Performance bonus awards can be payable in cash, restricted Common Shares which vest over three years, or a combination of the two.

In evaluating the quantitative performance of management, the Compensation Committee believes it is appropriate to consider the Company's financial results, as determined by reference to United States generally accepted accounting principles ("GAAP"), after adjustment for the effect on those results of fair value accounting and the termination of credit swaps (the Company's "Economic Results"). Economic Results adjust the Company's GAAP results by excluding any unrealized gains and losses on the portfolio of credit swaps sold by Primus Financial and any realized gains from terminations of credit swaps sold prior to maturity (although Primus Financial amortizes those gains over the remaining original lives of the terminated contracts, except for credit swaps undertaken to offset credit risk), and including provisions for credit events caused by downgrades below CCC/Caa2 (S&P/Moody's) on credit default swaps on asset-backed securities.

In assessing the Company's performance for 2008, the Compensation Committee considered three factors: (1) return on equity adjusted for Economic Results (40%); (2) Economic Results (40%); and (3) qualitative considerations (20%). The Compensation Committee determined that performance with respect to these factors had not met target levels, and accordingly decided to create a total performance bonus pool that was significantly below the target budget performance bonus pool amount projected at the beginning of the year (less than 25% of the projected target budget performance bonus) and commensurate with the Company's overall quantitative and qualitative performance in 2008. The Compensation Committee then reviewed the individual performance of the executive officers and the Chief Executive Officer's recommended performance bonus amount for each executive officer, excluding himself, based on the above factors and each individual's performance goals. The Compensation Committee determined that they would recommend no performance bonus for the Chief Executive Officer or the President of Primus Asset Management, Inc. as quantitative results were significantly below the targets set for the year and certain of the qualitative targets, including the launches of the envisioned collateralized loan obligation fund, collateralized swap obligation fund or the new credit derivative product company had not occurred. The Chief Executive Officer was awarded a long-term incentive award, consistent with the CEO Employment Agreement and as described below. The performance bonus for the Chief Financial Officer was reduced from prior years to reflect the Company's failure to meet its goals recognizing nonetheless the importance of the Chief Financial Officer to the Company. The Chief Financial Officer's performance bonus was payable partly in cash and partly in restricted Common Shares, which vest over three years.

In assessing the Company's performance for 2009, the Compensation Committee will focus on qualitative and quantitative factors based upon management's ability to successfully implement the amortization of the credit swap portfolio of Primus Financial as well as its other 2009 business priorities of growing Primus Asset Management, Inc.'s business and maintaining appropriate expense levels consistent with the Company's business approach and needs. The Compensation Committee has

established a target minimum performance bonus pool for 2009 that is consistent with the actual performance bonus pool for 2008.

#### *Long-Term Incentive Awards*

Long-term incentives are designed to provide performance incentives over a horizon longer than one year and to provide executive officers with an equity interest in the Company so as to encourage an appropriate alignment with shareholders. Also, through vesting and forfeiture provisions, long-term incentive awards create incentives for executive officers to remain with the Company and to seek to enhance shareholder value. Such awards can include grants of share options, which vest ratably over four years, performance shares, which vest at the end of a three-year performance period only if specified performance goals are met, and/or restricted shares, which vest ratably over three years. The allocation among these three alternatives is based on a determination of which package most closely aligns the interests of the executive officers with the long-term interests of the Company. These awards have been made, and are expected to continue to be made, annually in February of each calendar year to coincide with the Company's payment of annual performance bonuses.

For awards made in February 2008, the Compensation Committee determined the total amount of long-term incentive awards, and the specific awards made to executive officers other than the Chief Executive Officer, all based upon recommendations from the Chief Executive Officer. All long-term incentive awards made to the Chief Executive Officer were determined solely by the Board, based upon recommendations from the Compensation Committee.

The Chief Executive Officer's recommendations with respect to long-term incentive awards were based on an assessment of the potential long-term contributions to the Company of each executive officer. For long-term incentive awards granted in February 2008, the Chief Executive Officer recommended that all long-term incentive awards be made in restricted share units, which vest ratably over three years, with the goal of further aligning the interests of the executive officer with the interests of the shareholders. Based on the Chief Executive Officer's recommendation, the Compensation Committee determined to grant long-term incentive awards, in the form of restricted Common Shares which vest ratably over three years, to the Chief Financial Officer. The specific long-term incentive awards for each of the named executive officers are set forth below in the Grants of Plan-Based Awards table, and information regarding all outstanding equity awards as of the end of 2008 for the named executive officers is set forth below in the Outstanding Equity Awards at December 31, 2008.

The Compensation Committee determined to award the Chief Executive Officer with 475,000 restricted share units and 475,000 performance shares as a long-term incentive award in respect of 2008 as contemplated by the CEO Employment Agreement. The restricted share units vest ratably over three years. The performance share award also will vest in three equal annual installments beginning one year from January 29, 2009, the date of the grant. The performance shares vest at the end of three years and vest according to the performance/share price achievement if the stock price of the Company's Common Shares goes to \$3.00 (125,000 shares), \$3.50 (125,000 shares), and \$4.00 (225,000 shares) over the vesting period. The Common Shares should be at the stated price levels for a period of time to be determined within the vesting period for the achievement to be realized.

## Summary Compensation Table

## Share Option and Other Benefit Plans

### Incentive Compensation Plan

In 2008, the Company adopted the Primus Guaranty, Ltd. Incentive Compensation Plan (the "2008 Plan") to amend and restate the Company's 2004 Share Incentive Plan (the "2004 Plan") and supersede the Company's Annual Performance Bonus Plan (the "Bonus Plan"). Under the terms of the 2008 Plan, which was approved by shareholders at the Company's 2008 Annual General Meeting of Shareholders, awards previously granted under the 2004 Plan and Bonus Plan remain outstanding in accordance with their terms. The 2008 Plan generally is administered by the Compensation Committee of the Board of Directors, except that the full Board may act at any time to administer the Plan. The Compensation Committee in addition may delegate to one or more officers or managers of the Company or a subsidiary the authority to make grants of awards to officers (other than executive officers) and employees of the Company and such other administrative responsibilities as the Compensation Committee may deem necessary or advisable.

The 2008 Plan allows the Compensation Committee, as the plan administrator, to grant awards of cash and a variety of equity instruments, including options to purchase Common Shares, Common Shares, share units and dividend equivalents to the officers, directors, employees and independent contractors of the Company and its subsidiaries, and further provides the plan administrator with the authority to reprice outstanding share options or other awards. The actual terms of an award, including without limitation the number of common shares to which an award will relate, any exercise or purchase price, vesting, forfeiture or transfer restrictions, the time or times of exercisability for, or delivery of, Common Shares, are determined by the plan administrator and set forth in a written award agreement with the plan participant.

The aggregate number of Common Shares that may be issued under the 2008 Plan will not exceed 15,849,213. In addition, in any calendar year, no individual may be granted share-based awards that relate to more than 3,000,000 Common Shares, or cash-based awards that can be settled for more than \$10,000,000. Common Shares issued under the 2008 Plan that are reacquired by the Company in connection with a cancellation, forfeiture, termination or other failure to satisfy performance conditions will not be treated as having been issued for purposes of the share limitation. All option, share unit and unvested Common Share awards become fully vested, and all performance conditions will lapse, upon a change in control of the Company (as defined in the Management Severance Pay Plan described below) or upon termination of the grantee's employment by reason of the grantee's death, disability or retirement.

The 2008 Plan requires the plan administrator to make equitable adjustments to the number, kind and exercise price per Common Share of awards in the event of the Company's recapitalization, reorganization, merger, spin-off, share exchange, dividend of Common Shares, liquidation, dissolution or other similar transaction or events. In addition, the plan administrator may make adjustments in the terms and conditions of any awards in recognition of any unusual or nonrecurring events. The Board of Directors may, at any time, alter, amend, suspend or discontinue the 2008 Plan. The 2008 Plan will automatically terminate ten years after it has been most recently approved by the Company's shareholders. In January 2009, the Board of Directors approved amendments to the 2008 Plan that corrected typographical errors and clarified ambiguities.

#### *Restricted Stock Unit Deferral Plan*

The Company established the Primus Guaranty, Ltd., Restricted Stock Unit Deferral Plan (the "RSU Plan"), effective December 31, 2007, which permits certain officers to defer distributions of vested Restricted Stock Units granted under the 2004 Plan until six months following their separation from service with the Company and its affiliates. All deferral elections under the RSU Plan are required to be made in accordance with section 409A of the U.S. Internal Revenue Code of 1986, as amended, and the regulations thereunder. In December 2008, the Compensation Committee approved minor amendments to the RSU Plan.

#### *Senior Management Severance Pay Plan*

The Company has adopted a Senior Management Severance Pay Plan (the "Severance Plan") for designated key employees, including all of the Company's senior executives other than the Chief Executive Officer. Employees are required to sign a non-competition agreement and a release of claims against the Company as a condition of receiving any payment under the Severance Plan. The Board may amend or terminate the Severance Plan, or remove or add designated participants, on 12 months' notice to any participants affected by the change, provided that no changes adverse to participants may be made during the 18 month period following a change in control. Additionally, in the case of Mr. McLendon, please refer to the Section below entitled "Employment Agreement for Mr. McClendon".

Severance payable outside the context of a change in control for termination of employment without cause will equal one month of base pay, annual performance bonus (based on the average amount of cash and equity (valued as of the grant date) paid as annual performance bonus in each of the previous three years, pro-rated as necessary), and reimbursement of Consolidated Omnibus Budget Reconciliation Act ("COBRA") premiums, for each full year of completed service, with a minimum severance of two months and a maximum severance of 12 months, as well as a pro-rata annual performance bonus for the current year prior to termination. Additionally, (1) all equity will vest automatically in the event of death, disability or retirement, (2) all make-whole signing bonuses will vest automatically as of the date of termination in the event of a termination without cause, and (3) all unvested equity awards will vest automatically as of the date of termination in the event of a termination without cause in connection with a reduction in force or other circumstances determined to be comparable by the Compensation Committee.

Severance payable for termination or resignation of the executive for "Good Reason" occurring during an 18 month period following a change in control will include base pay, annual performance bonus (based on the average amount of cash and equity (valued as of the grant date) paid as bonus in each of the previous three years, pro-rated as necessary), and reimbursement of COBRA premiums for an 18 month severance period, as well as accelerated vesting of outstanding share-based awards (on a pro-rated basis for performance-based share awards) and a pro-rata annual performance bonus for the current year prior to termination. "Good Reason" is defined as the reduction of an executive's rate of pay, a relocation of more than 50 miles, a material and adverse change in the executive's responsibilities, or a failure by the Company to obtain the assumption of the Severance Plan by any successor. If any payments under the Severance Plan or otherwise are subject to the "golden parachute" excise tax, the Company will pay participants an amount sufficient to negate the impact of this tax, unless the tax can be eliminated by a 10% or less reduction of the amounts payable. Any severance payable pursuant to the Severance Plan will be offset by severance payable under any applicable employment agreement. For purposes of the Severance Plan, a change in control is defined as (1) an acquisition by any person or group of a beneficial interest of at least 30% (50% if such person owned common shares immediately prior to the Company's initial public offering) of the voting power with respect to the election of directors, (2) a change in the composition of a majority of the Board not approved by incumbents, or (3) any reorganization, merger or sale of assets or similar transaction where shareholders immediately prior to such transaction cease to own at least 50% of voting shares of the resulting corporation.

If a termination following a change in control were to have occurred as of the end of 2008, the following named executive officers would have been entitled to the following payments under the Severance Plan:

<u>Name</u>	<u>18 Months Pay (with Bonus)</u>	<u>Value of Accelerated Vesting of Equity</u>	<u>COBRA Reimbursement</u>	<u>Total<sup>(1)</sup></u>
Richard Claiden . . . . .	\$1,793,515	\$235,014	\$29,304	\$2,057,833
Charles McLendon . . . . .	\$1,710,173	\$268,460	\$29,304	\$2,007,937

(1) The totals do not include bonuses for 2008 that were paid in February 2009 and are reported elsewhere in this Proxy Statement.

### **Employment Agreement for Thomas W. Jasper**

Mr. Jasper's current employment agreement is a three-year agreement covering the period from May 1, 2008 through May 1, 2011, with automatic one-year renewals thereafter unless a notice of termination is provided as discussed below. The agreement provides for (1) an annual base salary of \$600,000; (2) an opportunity for annual bonus targeted equal to 200% of base salary (to be paid in a combination of cash and the Company's Common Shares as determined by the Compensation Committee) based on achievement of targeted performance objectives established by the Compensation Committee; and (3) a long-term incentive award with a value of \$1.6 million per year, for a total long-term incentive award value of \$4.8 million during the initial term, with 50% payable in performance shares or options and 50% payable in vested restricted share units or options. The agreement also provides Mr. Jasper with customary employment benefits.

In the event that Mr. Jasper's employment is terminated by the Company for any other reason than "cause" or "disability"; or by Mr. Jasper for "good reason" (which terms are defined in the same manner as in the Severance Plan described above), prior to the expiration of the initial three-year term, or if the Company fails to renew the term within 24 months following a "Change in Control" (which is defined in the employment agreement), then, Mr. Jasper will be entitled to receive accrued base salary and reimbursable business expenses; and, if he executes a release of claims in favor of the Company and otherwise complies with certain restrictive covenants contained in the employment agreement: (1) a cash payment equal to two times the sum of his base salary and target annual bonus; (2) a prorated cash bonus based on target levels of performance for the portion of the year worked; (3) a cash payment equal to the annual bonus that would have been payable for the prior fiscal year to the extent not already paid; (4) two years of continued health benefits; and (5) on the first anniversary of such termination (i) vesting of all service-based share awards that are unvested and outstanding at the time of termination and (ii) if such termination occurs within 24 months of a Change in Control, pro rata vesting of all performance-based share awards assuming target levels of performance. It also provides for a payment sufficient to negate the impact of any "golden parachute" excise tax, unless that tax can be eliminated by a 10% or less reduction of the payments to which Mr. Jasper is otherwise entitled. For example, if Mr. Jasper's employment were terminated without cause at a time when his base salary was \$600,000, he would be entitled to a cash severance equal to \$3.6 million, plus any accrued but unpaid salary and expenses, plus a prorated bonus assuming targeted levels of performance the amount of which would depend upon the point in time during the year at which the termination occurred. He would also be entitled to health benefits and equity vesting as described above. If such termination occurred as of the end of 2008, Mr. Jasper would have been paid \$3.66 million plus his bonus entitlement in respect of 2008 as well as receiving the vesting of the share awards described in clause (5) above in accordance with the timing therein set forth.

The Company can terminate Mr. Jasper's employment on any anniversary of the expiration of the initial three-year agreement term, by providing him at least six months' notice. However, where such notice is provided within 24 months after a Change in Control and the termination is to be effective on any anniversary of the expiration of the initial three-year term occurring within 24 months after such Change in Control, the contractual termination benefits described above will be payable to Mr. Jasper.

Otherwise, in the event of any such termination, Mr. Jasper would be entitled to (i) immediate vesting of all service-based share awards that are unvested and outstanding at the time of termination; (ii) continued exercisability of outstanding options for one year following such termination; (iii) provided that Mr. Jasper does not engage in certain competitive activities, continued vesting of performance-based share awards based on actual performance; and (iv) a cash payment equal to the annual bonus that would have been payable for the prior fiscal year to the extent not already paid. The employment agreement also contains a prohibition on Mr. Jasper's competing with the Company for the one-year period following termination of his employment if he is entitled to his contractual termination benefits, or if the Company elects to pay him 2.5 times his annual base salary.

### **Employment Agreement for Charles McLendon**

Mr. McLendon's employment as President of Primus Asset Management, Inc., a subsidiary of the Company, terminated as of February 23, 2009. Under the terms of his employment agreement, dated March 7, 2006, he was entitled to (1) a base salary of \$350,000 (although he was awarded a raise in his base salary to \$375,000 per annum in 2007); (2) an annual merit bonus, with the actual bonus based primarily upon achievement of performance goals approved annually by the Compensation Committee; (3) annual long-term incentive ("LTI") award based on achieving "target" revenue and return on equity ("ROE") goals for the asset management business; and (4) termination benefits consisting of a payment equal to three times Mr. McLendon's annual base salary then in effect plus accelerated vesting of all equity awards, payable upon a termination of employment by the Company other than for "cause" or by Mr. McLendon for "Good Reason" (which is defined in the same manner as in the Severance Plan described above). Upon any termination of his employment by Mr. McLendon without Good Reason, all restricted share units and options not yet vested were subject to forfeiture. The payments to be made to Mr. McLendon in connection with his departure from the Company and the termination of this employment agreement are currently under discussion.

## **PROPOSAL TWO – APPOINTMENT OF INDEPENDENT AUDITORS**

Under Bermuda law, the Company's shareholders have the authority to appoint the independent auditors of the Company and to authorize the Audit Committee to fix the auditors' remuneration. At the Annual General Meeting, the shareholders will be asked to appoint Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2009, and to authorize the Audit Committee to fix their remuneration. Ernst & Young LLP has been the Company's independent auditors since 2002 and, by virtue of their familiarity with the Company's affairs and their qualifications, are considered qualified to perform this important function.

### **Audit Committee Report**

The Audit Committee assists the Company's Board of Directors in overseeing the integrity of the Company's financial statements, including its system of internal controls, and the quality of its internal and external audit process. The Audit Committee currently comprises four independent directors and operates under a written charter, which is available on the Company's Web site at [www.primusguaranty.com](http://www.primusguaranty.com) and was attached to the Company's Proxy Statement for 2005 as Appendix A. In discharge of its responsibilities, the Audit Committee held five meetings in 2008. These were in-person meetings that usually included separate executive sessions of the Audit Committee with the independent auditors and management.

The Audit Committee has reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended December 31, 2008. Ernst & Young LLP, the Company's independent auditors for 2008, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the U.S. Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T, and the Audit Committee has received from

Ernst & Young LLP written disclosures regarding the auditors' independence required by PCAOB Ethics and Independence Rule 3526. The Audit Committee has also discussed with Ernst & Young LLP the firm's independence from management and the Company. In considering the independence of Ernst & Young LLP, the Audit Committee took into account the amount and nature of the fees paid to Ernst & Young LLP for non-audit services.

Based on the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the SEC. The Committee has also selected Ernst & Young LLP as the Company's independent auditors for 2009 and is presenting the matter to the shareholders of the Company for approval.

Generally, notice of such a proposal must be deposited at the registered office of the Company not less than six weeks before the date of the meeting, unless the meeting is subsequently called for a date six weeks or less after the notice has been deposited. Under Rule 14a-4 of the SEC under the Exchange Act, proxies may be voted on matters properly brought before the meeting under these procedures in the discretion of the Chairman without additional proxy statement disclosure about the matter unless the Company is notified about the matter at least 45 days before the first anniversary of the date on which this proxy statement is first mailed to shareholders and the proponents otherwise satisfy the requirements of Rule 14a-4. The deadline under Rule 14a-4 for next year's meeting is February 3, 2010.
